PATAGONIA ARGENTINA

## LOCATION

## FRIGORIFICO HERMOSO

Slaughterhouse and packing plant  
Est. N° Oficial 2537

**FRIGORIFICO HERMOSO** is a slaughterhouse and packing plant located in Comodoro Rivadavia, PATAGONIA ARGENTINA. It is a family business, based on local market supplies of lamb, mutton and beef for butchers and supermarkets.

Since 1985, its standards of quality and sanitary controls are made by SENASA under the Oficial Number 2537. Since 2004, it has been exporting Halal products to Middle East countries and North Africa, mainly frozen mutton 6 way cut, frozen lamb cuts and whole lamb carcasses.

## LIVESTOCK

Lamb and mutton come from Chubut and Santa Cruz provinces, in the south of Argentina, where the weather is cold and dry (150 mm. rainfall avg.) These animals are raised in herds on poor extensive pastures, where no pesticides or fertilizers are used.

Sheep and lambs graze on natural native vegetation, and get low levels of saturated fat.  
Main breeds are Merino and Corriedale.
